Flagstaff
MICRO LITES & SHAMROCKS

Over 40 years of excellence.

From Humble Beginnings, Flagstaff Has Emerged As An Industry Leader In The Manufacturing Of Light Weight Travel Trailers, Fifth Wheels And Camping Trailers. Located in Millersburg, IN since 1974, Flagstaff has been supported by this community and the local families residing there. These families have helped provide the hundreds of workers that have brought their dedication to quality workmanship, respect for their fellow workers and a commitment to an uncompromising work ethic to make a major contribution to this company's success. Founded on the principle of providing superior value and service while remaining in tune with customer's preferences, Flagstaff has become the ultimate luxury product in the light weight trailer market, proudly showcasing more innovative floor plans, appealing features and refined interior appointments than any others in its class.

Today, Flagstaff remains committed to insuring that our customers enjoy their camping experiences. Through the utilization of our experienced work force, “state of the art” lamination facility, modern production plants and detailed assembly processes our aim is to continue to provide our customers with the best built product possible at an unmatched value.

The traditional Flagstaff Shamrock and Micro Lites continue to provide unsurpassed value and comfort. The spacious interiors offer numerous windows, 80" vaulted ceilings with directional vented air conditioning and extensive interior LED lighting throughout. Rich with appointments like solid surface kitchen counter tops and under mount kitchen sinks (select models), a stove top with glass cover, 22" oven and distinctive Maple or Driftwood cabinets with solid wood doors and drawer fronts throughout add to the tremendous value provided.

Shown with Madrid / Driftwood interior

Optional Oyster Exterior

Featuring an aluminum framed with vacuum bonded construction, high gloss fiberglass exterior and deluxe graphics, the Flagstaff Shamrock and Micro Lite products are among the best constructed, most well insulated trailers available on the market today.

Standard White Exterior

Flagstaff travel trailer models are loaded with features like Polished alloy wheels with Nitro filled radial tires mounted to Dexter Torflex Torsion Rubber Ride Axles for a smooth, safe ride, plus that clean Flagstaff look with frameless bonded windows and an automotive front windshield where applicable.

Shown with Brighton / Driftwood interior

Shown with Madrid / Maple interior

A new standard has been raised.

To continue this tradition, Flagstaff offers a group of appealing features to enhance your lifestyle and camping experience. Standards like brand name appliances, ducted furnaces for heating, a quick recovery auto gas / electric water heater and built in entertainment centers with Blue Tooth technology and a sound bar and many more standards. For those who really want to get away all our units are solar ready!

Styling and amenities while keeping your towing and camping needs in mind.

FLAGSTAFF

Micro Lites

All you need in a perfect, compact package. Micro Lite trailers are excellent for those who want to move from the tent camper to the Light weight towable. The light, small compact design was created for families driving vans and small sport utility vehicles. With residential amenities and excellent features, you're sure to enjoy the Micro Lites.

Shamrocks

There's more to the Shamrock than blind luck. Whether you are interested in the expanded interior space provided by the spacious drop down bunks with heated innerspring mattresses or the ability to bring an ATV along, the Flagstaff Shamrock will deliver with the quality and amenities you expect. Flagstaff has redefined camping by allowing you to have the necessities of residential living at the campsite.

Quality Construction

The details are what make all the difference. Flagstaff takes pride in constructing the very best products possible in each price point. From our entry level units to our top of the line products, no short cuts are taken to achieve excellence. From the all-steel I-beams to the residential interior amenities to the vacuum-bonded exteriors, Flagstaff products are quality built from the ground-up.

- 1 Glued and screwed wood cabinetry
- 2 Aluminum dinette frames for added strength and weight savings
- 3 Nitrogen filled tires for less air pressure fluctuation and a safer ride
- 4 Extra large dinette storage drawers and full extension metal drawer guides in the kitchen
- 5 Dexter Torflex Axles:
 - Independent wheel suspension and self-damping action
 - Rubber cushioning eliminates metal-to-metal contact.
 - Forged torsion arm for maximum strength

Models are also equipped with E-Z Lube® System and Nev-R-Adjust® Brakes.
- 6 Standard under belly to protect trailer components as well as increasing aerodynamics on Micro Lites (Excludes 1902, 1905, 1909S and Shamrocks)
- 7 Aluminum Frame Construction with high gloss fiberglass exterior and deluxe graphics

ROOF CONSTRUCTION

Vacuum-bonded radius roof with vaulted ceiling providing superior insulation and more interior height.

4" thick roof with built in insulated A/C ducts

Built strong to enable you to conveniently perform periodic roof maintenance.

WALL STRENGTH

Structurally engineered materials makes our vacuum-bonded walls some of the strongest in the industry.

VACUUM-BONDED LAMINATED CONSTRUCTION

Flagstaff is one of only a few manufacturers with six sided aluminum framing. Vacuum bonded walls and roof to ensure a well-insulated, light weight, strong structural trailer.

PRE-DELIVERY INSPECTION FACILITY

20,000 square feet of quality assurance. The bare essentials for a premium product. This state-of-the-art facility gives immediate daily feedback to production for quality assurance in every unit built.

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!

24/7 EMERGENCY ROADSIDE ASSISTANCE

For a worry-free ownership experience

Forest River includes one

year of Coach-Net RV Technical & Roadside Assistance with each RV purchase. Whether new to the RV lifestyle or an experienced RV enthusiast, Forest River owners have 24/7 access to technical, operational and emergency road service coverage throughout the US & Canada.

Coach-Net's fast, dependable service is just a phone call away.

Specification Definitions

GVWR (Gross Vehicle Weight Rating) - is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR.

GAWR (Gross Axle Weight Rating) - is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by a combination of all axles.

UVW (Unloaded Vehicle Weight)* - is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s) and tongue or pin and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories.

*Estimated average based on standard build optional equipment.

CCC (Cargo Carrying Capacity)** - is the amount of weight available for fresh potable water, cargo, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity.

** Estimated average based on standard build optional equipment

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities.

The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.

FLAGSTAFF

Warranty

For details on Flagstaff's complete warranty program, see your Flagstaff dealer. When it comes to backing products with the same quality and commitment it does when it begins the manufacturing process, the only name you have to remember when you're looking for a recreational vehicle is Flagstaff. Flagstaff offers the following additional limited warranties to the original purchasers. Consult written warranty for details.

1. Twelve-year vinyl roof warranty,
2. Two-year fiberglass warranty,
3. Ten-year Torflex® axle warranty,
4. One-year bumper to bumper warranty,
5. Five-year tent warranty,
6. Available second-year warranty
