## SNEAK PEEK

**WINNEBAGO**

## See What You've Been Missing

Looking for more in a Class C motorhome? You'll find it in the Winnebago View.® Its modest size is big on the features you love such as swivel cab seats with boosters, a U-shaped dinette in the 24J, and a large patio-side galley window in each floorplan. The Mercedes-Benz Sprinter chassis has built its reputation by combining fuel economy with towing power, and the View takes full advantage. With four floorplans and your choice of flexible sleeping accommodations, there is a View ready-made for you and your traveling companions. Spend time in the View and you'll see why it's the top-selling Sprinter Chassis-based motorhome.

### RECOGNIZED QUALITY

The Recreation Vehicle Dealer Association annually rates RV manufacturers and awards the Quality Circle Award to manufacturers that provide exceptional products, service and support. Winnebago is proud to be the only manufacturer that has received this award every year since its inception.

# Floorplans & Specifications

Dimensions shown are for sleeping space only and may vary due to styling differences. Dashed lines denote overhead storage areas.

Weights & Measures	24G	24J	24M	24V

Wheelbase	170"	170"	170"	170"

<sup>1</sup> The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please contact your dealer for further information.

<sup>2</sup> The load capacity of your motorhome is designated by weight, not by volume, so you cannot necessarily use all available space when loading your motorhome.

<sup>3</sup> Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.

<sup>4</sup> Capacities shown are tank manufacturer's listed water capacity (W.C.). Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.

<sup>5</sup> Actual towing capacity is dependent on your particular loading and towing circumstances which includes the GVWR, GAWR, and GCWR, as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.

Not all items available in combination. See dealer for details.

Winnebago's® continuing program of product improvement makes specifications, equipment, model availability, and prices subject to change without notice. Published content reflects the most current product information at time of printing. Please consult your dealer for individual vehicle features and specifications.
