

QUALITY

Winnebago RVs are designed and built around you, with superior craftsmanship, advanced manufacturing technologies and steel-focused construction to enhance safety and reliability.

INNOVATION

From groundbreaking RVs to game-changing features to the spacious floorplans made possible by our SmartSpace™ design, our heritage is unrivaled for continuous industry firsts in vehicle technology and design.

SERVICE

Our carefully chosen dealers are supported by factory training and our advanced parts supply system, while owners benefit from excellent real-world customer support as well as 24/7 access to online technical information.

An Elegant Home Away From Home for Extended Travel and Entertaining.

With its newly refreshed styling, the award-winning Voyage incorporates premium furnishings and amenities so you can enjoy all the comforts and conveniences of home while traveling, entertaining and enjoying RV life.

Wide Range of Floorplans

Available with a single, double or triple slideout in lengths from 28 to 39 feet, the Voyage features a private front bedroom with queen or available king bed, spacious bath, and a wide variety of layouts to suit any lifestyle.

Exterior Living

In camp, the universal enclosed docking station makes hook-ups a snap, while the powered awning with LED lighting, JBL® premium outdoor speakers and outdoor kitchen (V3033BH and V3538BR) bring outdoor living to life.

Built to Entertain

The chef's galley, Smart TV and JBL® Aura Cube entertainment system with JBL premium speakers, multiple seating options, large holding tanks and water heater mean the Voyage is ready to entertain whenever you are.

Thoughtful Touches Abound

Life is easier aboard the Voyage, thanks to abundant storage inside and out, a 200-watt solar panel with 30-amp charge controller plus side-mount prep for an additional panel, power stabilization jacks, and a 2' accessory receiver. The 2" fiberglass sidewalls with Azdel Onboard® composite paneling, fully walkable roof with one-piece TPO membrane, and fully enclosed underbelly with 12-volt tank pad heaters plus an interior switch extend your camping season.

Floorplan Shown: 2831RB

Wide-Open Spaces

With 7-foot ceilings throughout, the Voyage welcomes you with a spacious, comfortable and well-designed lounge for entertaining and relaxing.

Flexible Furnishings

Many furnishings are designed to serve more than one function: the dinette, sofa sleeper and Murphy bed all easily convert to comfortable sleeping spaces to accommodate up to 8 overnight guests.

Chef's Galley

Whether you're feeding a crowd or crafting an intimate gourmet dinner, the Voyage galley helps you rise to the occasion with a 3-burner cooktop with oven, convection microwave, 15-cuft. refrigerator and stainless-steel sink with pull-down faucet.

Upgraded Tech and Entertainment

The JBL® Aura Cube entertainment system with JBL premium speakers, Smart TV, and electric fireplace are perfect for movie nights in! The Voyage also comes with Wi-Fi prep, USB charger ports, a wireless cellphone charger and an option to add a TV in the bedroom or bunkroom depending on the floorplan.

All-In-One Control Panel

The Voyage's intuitive control panel places key system controls at your fingertips, all in one convenient location.

Warranty

See your dealer for complete warranty information.

FOOTNOTES

- The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of our vehicles may vary by several inches depending on chassis or equipment variations. Please contact your dealer for further information.
 - Reserve feature is a separate charge - see options. In making your purchase decision, you should be aware that some states restrict access to some of our data feeds or prohibit its use with. Before making your purchase decision, you should confirm the real-time lease in the state of interest to you.
 - Capacity is the total maximum weight of people in a 4-person travel capacity application, not total due to installation applications.
 - Capacity shown is the manufacturer's listed weight capacity (A/C) actual listed LP capacity is 20% of listing due to varying production blocks of tank.
 - Seating capacity is the maximum based on a specific layout.
- Because features, specifications, equipment, and options may vary from those highlighted on this media, the buyer is responsible for confirming with the dealer the features, specifications, equipment, and options included in their specific vehicle.
- To obtain a comprehensive program of product information, product literature, and product specifications, contact your dealer for a complete product literature package.
