ZERO GRAVITY SERIES

LIKE NO OTHER ULTRA LITE ON EARTH

Set your sights high and reach for the stars. Aerolite, a campground legend, has been setting the bar in ultra lite innovation for more than 20 years. Cutting-edge construction coupled with industry-leading features both inside and out keeps Aerolite years ahead of the competition. There's a reason we call it our Zero Gravity Series.

STUNNING KITCHEN

Solid-wood cabinet doors and drawer fronts add durability and beauty to your storage space. Optional solid-surface countertops with LED backlighting, stainless-steel appliances and sink, as well as a high-rise pull out faucet, provide all the luxuries you could want in your on-the-road kitchen.

AEROLITE 292DBHS

TRI-FOLD SOFA

Whether it's extra sleeping space or just a place to enjoy the show, this optional tri-fold deluxe sofa is both comfortable and convenient.

REMOTE CONTROL

Our new remote control, available on all travel trailers, lets you operate your slide room, front and rear stabilizer jacks, electric awning and patio lights from the palm of your hand.

POWDER ROOM

Enjoy the conveniences of a handy detachable shower head, the durability of the decorative tub surround and the illumination of the extra-large skylight.

LED LIGHTING THROUGHOUT

Upgraded LED lights are brighter, use less energy and help keep your travel trailer cooler than traditional lighting.

SPACIOUS BARRELED CEILING

The curved ceilings in Aerolite provide even greater headroom — 6' 10" to be exact — while maintaining its ultra light weight.

ENTERTAINMENT

All of your entertainment needs are taken care of with an AM/FM/CD/DVD Player with Bluetooth.

UPGRADED LINOLEUM

Aerolite's resilient flooring surface, which comes with a multi-year warranty, features a unique backing resistant to curling and tearing in extreme temperatures.
