CRUSADER

FIFTH WHEELS

CRUSADER

www.primetimerv.com

North America's
Favorite RV Company!

CRUSADER

Within us all, there's a calling to achieve ever-greater things; a search for a higher standard. In creating Crusader, we asked our engineers and design team to throw caution to the wind and engage in serious "outside the box" thinking. We challenged them to think beyond the status quo and reach for product innovations not currently offered.

We said, "Make Crusader a new icon for the 21st century." Needless to say, they took the challenge to heart.

The result of their efforts represents a new standard in fifth wheels – A HIGHER STANDARD – Crusader.

Crusader 340RST

**A HIGHER
STANDARD
THAT WILL
IMPRESS AT
EVERY TURN**

Within seconds of entering, experienced RV'ers will recognize Crusader's subtle details of excellence, best-in-class features, and residential appointments.

Crusader kitchens are by far the best in its class! We have designed our kitchens with large countertop preparation areas, enormous amounts of storage and large pantries. Crusader kitchens are appointed with many modern amenities such as LG Solid Surface countertops, stainless steel sinks, sprayer faucet and large storage drawers. Crusader kitchens are definitely built to a Higher Standard!

A HIGHER STANDARD

Crusader 319RKT Kitchen

Crusader 337QBH Bedroom

Crusader 337QBH Closet

Crusader is unlike any fifth wheel in its class. On the outside, our fifth wheel experts have combined advanced engineering and design with best-in-class features to create a fifth wheel that looks great, tows easily, and maximizes convenience. On the inside, Cherry hardwood cabinetry and solid surface kitchen countertops carefully work together to make a lasting impression. Your comfort and relaxation will be guaranteed with an abundance of upgrades such as high gloss exterior, residential furniture and Ground Control Automatic Leveling System. Finally your long-term peace of mind is assured with Crusader's durable ETERNABOND® Construction, 50 AMP service and our custom 65 point pre-delivery inspection on 100 percent of our units.

A HIGHER STANDARD

Crusader 340RST Bedroom

Crusader bedrooms are built for comfort and convenience. Every Crusader model features large 60" x 80" Ever Rest® select foam beds while several models come standard with a king bed. Crusader bedrooms feel spacious and roomy due to our tall ceilings, they have large storage closets, and our bedroom slide-out models come with the added convenience of washer and dryer preparation. Everywhere you look, there are numerous upgrades that will make your Crusader the envy of the campground.

CRUSADER

A HIGHER STANDARD

PRIME TIME PROUDLY USES DEXTER AXLES

5 Year Warranty
DEXTER AXLE COMPANY

Your safety and peace-of-mind while traveling are assured with high quality, heavy duty Dexter Axles.

EZ FLEX SUSPENSION

5 Year Warranty
DEXTER AXLE COMPANY

The E-Z Flex technology virtually eliminates damage caused by vibration from rough road conditions. This will help protect your valuable investment.

SLEEK AND STYLISH FRAMELESS WINDOWS

Your Crusader will look fantastic with these deep tinted, DOT approved safety glass windows. The frameless design seals tight and prevents leaks.

LED Lighting

NEW cooler and more energy efficient.

LED INTERIOR LIGHTING

All Crusaders have LED interior lighting. Customers appreciate that Crusader's lights operate cooler and draw less electricity.

HIGH GLOSS FIBERGLASS

All Crusaders have High Gloss Gel Coated Fiberglass exteriors. The exteriors are uniquely designed to be easy on the eyes while traveling down the road.

STAINLESS STEEL SINK AND SPRAYER FAUCET

Crusader customers love the durability of the Stainless Steel Sink and the convenience of the pull down Sprayer Faucet.

ETERNABOND® Bonded Aluminum Structure

ETERNABOND® CONSTRUCTION

Every wall, floor, and slide-out roof is made up of welded aluminum framework that is laminated together in order to build a stronger, longer lasting RV.

FLUSH MOUNT GLASS RANGE COVER

This great looking, easy-to-clean range cover sits flush to the neighboring countertop, maximizing your available work space.

* R-52 EXTREME THERMAL PACKAGE

R-52 Extreme Thermal Package provides superior protection from the outside elements, while keeping you cool in the summer and warm in the winter.

** R-Values calculated at 80° Ambient Temperature*

UNIVERSAL DOCKING CENTER

Crusader provides Best In Class convenience of having all your water connections, cable connections and outside shower in a lockable all-in-one, easy to use compartment.

GROUND CONTROL AUTO LEVELING SYSTEM

This one touch Auto Leveling System makes setting up your Crusader quick and easy!

"QUIET COOL" AIR CONDITIONER

Every Crusader is equipped with Dometic's premium "Quiet Cool" air conditioner. This air conditioner is 25% more efficient and 75% quieter than the competition.

UVW (Unloaded Vehicle Weight)* is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s) and tongue or pin and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories. *Estimated Average based on standard build optional equipment.

CCC (Cargo Carrying Capacity)** is the amount of weight available for fresh potable water, cargo, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity. ** Estimated average based on standard build optional equipment.

See back page for additional specification definitions.

CONSTRUCTION

- Gel Coated Fiberglass Exterior
- 5" Truss Rafters On 16" Centers with 3/8" WALK ON Decking
- Fiberglass Roof Insulation (R-14)

ADDITIONAL SPECIFICATIONS:

GVWR (Gross Vehicle Weight Rating) - is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR.

GAWR (Gross Axle Weight Rating) is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by a combination of all axles.

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities. The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.

PRE-DELIVERY INSPECTION FACILITY

20,000 square feet of quality assurance. The bare essentials for a premium product. This state-of-the-art facility gives immediate daily feedback to production for quality assurance in every unit built.
