SURVEYOR FEATURES

POWER STABILIZER JACKS
Set up is a breeze with Surveyor Select's push button electric stabilizer jacks. (N/A Sports)

FOLDING ASSIST HANDLE (OPT.)
This oversized assist handle allows for safe entry and exit from your coach.

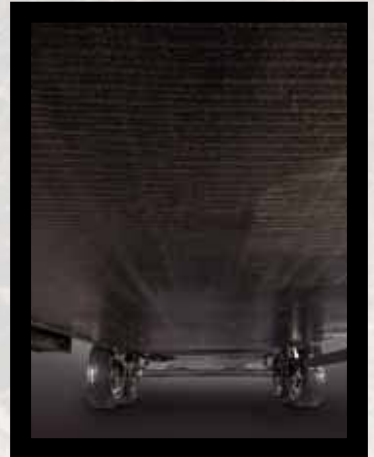

EXTERIOR SPEAKERS (OPT.)
Optional outside speakers let you listen to your favorite music or sport channel outside.

POWER AWNING
Surveyor's push button electric awning with adjustable rain dump = 1 touch setup. No manual awnings here!

SUPERIOR CONSTRUCTION
Surveyor is one of the strongest light weight trailers because of our lamination process. High quality materials, 100% glue coverage and fully framed aluminum floor, roof, walls, fronts and backs provide you a structure for peace of mind.

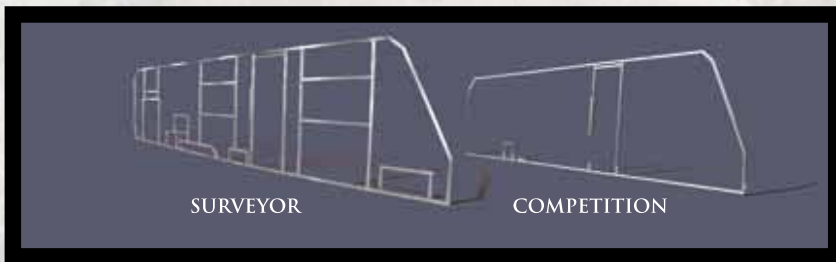

HEATED AND ENCLOSED UNDERBELLY
Surveyor Select's aerodynamic underbelly is heated and enclosed. The entire underbelly is warmed by radiant heat from the heat duct allowing you to use the coach in colder weather environments. This unique construction method opens up storage space above the floor, while lowering the units' center of gravity for towing ease and stability. (N/A Sports)

EXTERIOR SHOWER
Hot and cold controls make clean-up simple and easy.

BLACK TANK FLUSH
Tank clean out made simple with this standard and convenient feature.

SURVEYOR SIDEWALL
Your Surveyor is constructed with tubular aluminum framing in "all" openings. Is this necessary - we think so! Aluminum framed openings add strength and integrity to every Surveyor sidewall. No other lightweight trailer compares.

POWDER COATED FRAMES
Our all steel I-Beam frames provide you with the most superior foundation.

SPACIOUS PANTRIES

Surveyor's unique use of adjustable shelves and residential recessed spring loaded hidden hinges offers you the freedom to store all your camping necessities.

FANTASTIC FAN

Fantastic Fans are standard in all Surveyor Select baths. This 12" 10-blade bath fan significantly increases air circulation and the removal of condensation as compared to the industry's standard smaller bath vent. (N/A Sports)

DOORS AND DRAWERS

Surveyor's solid wood doors and drawers are structurally superior inside - naturally beautiful outside. Genesis "ES" cabinet doors offer a 10 year limited warranty on the "Endura" panel doors.

DAY/NITE SHADES (OPT.)

Designer styled hard valances and optional Day/Nite shades provide all the privacy you need.

SERTA MATTRESS

Serta Dreamscape Mattress come standard on all Select Models. Stretch out and sleep in on this Forest River Exclusive. (N/A Sports)

SURVEYOR DESIGNER INTERIORS

Cinnamon

Earth

Saffron

WATER FILTRATION

You'll appreciate the water filtration system that is standard with each Surveyor Select. This compact unit filters water for the entire coach, eliminating those unwanted contaminants and odors. Ensuring safe drinking water for you and your family. (N/A Sports)

SURVEYOR WARRANTY INFORMATION

For Details on Surveyor's complete warranty program, see your Surveyor dealer. Surveyor offers the following additional limited warranties to the original purchasers. Consult written warranty for details.

1. Twelve year rubber roof warranty
2. Two year fiberglass warranty
3. Two year axle warranty
4. One year bumper to bumper warranty
5. Available second-year warranty

FOREST RIVER ENCOURAGES YOU TO BUY LOCALLY

Forest River, Inc. strongly encourages our retail customers to purchase from their local dealership whenever possible due to the following factors:

- Our Dealers are, as a rule, independently owned and operated businesses. Outside of those customers they personally sold products to, they are not contractually obligated to perform warranty service on Forest River products that were purchased elsewhere. There may be an occasion that you would be required to return to the point of purchase to satisfy warranty requirements.
- Although many dealerships will eventually service products not purchased at their place of business, they will usually take care of their customers and other Forest River customers who are traveling away from their local dealer as they would their own.
- Local purchases allow a customer to establish a relationship with a dealer close to home. This relationship provides the customer with a convenient location for service and support from a "home town" professional.
- The opportunity for a thorough PDI (Pre Delivery Inspection) and product orientation is an additional benefit of buying from your local dealer. Further providing the opportunity for refresher courses or the ability to get questions answered much more conveniently.
- For our Canadian customers, there are also requirements which must be met to bring an RV purchased out of the country to their home. Although not insurmountable, these requirements may involve such things as additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- Forest River's goal is for all RV owners to fully enjoy their RV experience. In light of this goal, and considering the advantages of buying local, we encourage you to be thorough when determining what product to purchase and which dealer to purchase it from as both are key to your ultimate satisfaction and the realization of your dreams.

20,000 SQUARE FEET OF QUALITY ASSURANCE

The bare essentials for a premium product

Brought online in 2005, Forest River is proud of its state-of-the-art test facility. This beautiful building blends many of the old tried and true methods of testing our diverse types of RVs with new innovative ways of solving quality issues. Being centrally located to most Forest River manufacturing facilities, this 20,000 square foot PDI (Pre-delivery Inspection) test building gives immediate daily feedback to individual managers. This assures the production facilities that nothing has slipped by the plant's quality assurance personnel and the units are "green" and ready to ship.

PEACE OF MIND

Forest River has yet another exclusive feature to offer: One year of free roadside assistance will be given to every new Surveyor customer. This is just one more way to say "Thank you" and to ensure an enjoyable traveling experience.
